## You are invited to EAGC 2019

We are proud sponsor of the 34th European Annual Gas Conference (EAGC) 2019, taking place **5-7 November in Paris**. We invite you to join us.

The EAGC has transformed with a new-look agenda that reflects Europe's major push to decarbonise the energy system and forge new pathways for cleaner fuels. For more than 30 years we have welcomed Europe's thought-leaders and decision-makers: so in 2019, join us in Paris to help shape the next roles for gas as part of a low-carbon energy landscape.

Secure your place today to enjoy unparalleled, challenging content, fantastic networking, and excellent new business development opportunities.
